COMPREHENSIVE PRODUCT CATALOG

TRANSMISSION FLUID EXCHANGERS

ATF 1

Part # 30110000

Features

- Cooler line and dipstick modes of operation
- On-board 12V rechargeable dry cell battery
- 32 quart new and used fluid tanks
- Perform up to 32 quart service in 0.1 quart increments
- Add/remove fluid in 0.1 quart increments
- Three pumps help eliminate fluid cross contamination
- Assorted adapters included
- OEM & Heavy Duty adapters available
- Industry leading warranty and service

***SYMTECH CORPORATION OFFERS
THE ONLY ATF EXCHANGERS THAT
INCLUDE ON-BOARD 12V
RECHARGEABLE POWER AND CAN BE
EXPANDED WITH EXTERNAL
NEW FLUID TANKS!***

ATF Infinity

Part # 30010000

Features

- Cooler line and dipstick modes of operation
- On-board 12V rechargeable dry cell battery
- 32 quart new and used fluid tanks
- Perform up to 32 quart service in 0.1 quart increments
- Add/remove fluid in 0.1 quart increments
- Three pumps help eliminate fluid cross contamination
- Assorted adapters included
- OEM & Heavy Duty adapters available
- Industry leading warranty and service
- Includes one 32 quart External New Fluid Tank
- Add unlimited external New Fluid Tanks

****Why buy another ATF Machine for the various fluid types?
Add as many External New Fluid Tanks as needed to prevent cross
contamination of specialty transmission fluids.***

ATF 4

Part # 30140000

Features

- Cooler line and dipstick modes of operation
- 32 quart new and used fluid tanks
- Perform up to 32 quart service in 0.1 quart increments
- Add/remove fluid in 0.1 quart increments
- Three pumps help eliminate fluid cross contamination
- Assorted adapters included
- OEM and Heavy Duty adapters available
- Industry leading warranty and service

***No on-board 12V power system
External 12V required.**

Standard Adapter Kit

Part # 30110700

Automatic Fluid Control Valve

Part # 30110404

External New Fluid Tank

Part # 30010500

***ATF Infinity Only**

FLUID EXCHANGERS

VFX 1 - Radiator Coolant Exchanger

Part # 35010000

Features

- Multi-mode functionality
- Reverse flush or vacuum drain and fill
- Shop-air operation
- 15 gallon used fluid tank
- Easy to follow, color coded operation
- High efficiency "engine off" flush
- Pressure check/vacuum test/heater core flush
- Includes one on-board new fluid tank and one external new fluid tank
- Additional External New Fluid Tanks available
- Custom adapters available

Small Step Adapter

Part # 35010630

Large Step Adapter

Part # 35010640

Drain & Fill Adapter

Part # 35010225

External New Fluid Tank

Part # 35010490

BFA 1 - Brake Flush Assistant

Part # 37010000

Single wheel, pressurized brake system bleeding

Features

- Performs on Low Pressure and High Pressure / Hybrid Systems
- Up to 120 PSI rating
- Light weight, easy to use
- Coalescing filter for air contaminant removal

FST 24- Fuel Service Tool

Part # 38010000

Remove all of the various deposits that can restrict air and fuel flow while improving engine performance and fuel economy.

Features

- Cleans deposits from intake valves, fuel injectors and combustion chambers
- Restores lost power and improves fuel economy
- Lightweight, easy to use
- Works off shop air
- Adapters available

PSE 1 - Power Steering Fluid Exchanger Part # 33010000

Features

- Portable and light-weight
- 5 quart new and used tanks
- 12V operation
- Electronic, handheld control for precise fluid control
- No co-mingling of new and used fluids
- Optional cart available
(Part # 33010300)

**PSE 1C w/ Cart
Part # 33010001**

**PSE 1CPS
w/ 12V Powered
Cart and Charger
Part # 33010002**

DFE 1 - Differential Fluid Exchanger Part # 32010000

Features

- Electronic handheld controls for precise fluid dispersing
- Efficient air actuated, high-volume pump
- 5 quart new and used tanks
- No co-mingling of new and used fluids
- Custom cart with on-board rechargeable 12V battery
- Add additional new fluid tanks
(Part # 33010300)

*Cart can house the
PSE and DFE together!*

DIT 32- Diesel Injection Tool Part # 39010000

*Provide fuel injector and combustion chamber cleaning
by utilizing the supply and return fuel connections.*

Features

- Reduces fuel system corrosion problems
- Removes deposits from injectors, improving injector spray pattern
- Removes combustion chamber and piston top deposits
- Reduces engine particulate emissions that clog EGR system coolers, valves and DPR system
- Improves fuel economy, engine power and responsiveness

SMARTKOOOL

EXCLUSIVELY BY SYMTECH CORPORATION

Status Light Bar

Thermal Printer
(Standard on SKR³ 300H & SKR³ 400)

8" Color Touch Screen

Neutronics Refrigerant Identifier
(Standard on SKR³ 400)

Hose & Coupler Storage

Locking Wheels

SKR³-200 R134a

Part # 82000000

Design certified for compliance with SAE J2788

Features

- Fully automatic and manual operation
- Watch instructional videos and view manual on 8" full color touch screen
- Wi-Fi built-in for remote diagnostics
- Vehicle refrigerant database
- Tank heater
- 6 CFM vacuum pump
- Three oil bottles: two for new oil, one for used
- Optional thermal printer available (Part #82000010)

SKR³-400 R1234yf

Part # 84000000

Design certified for compliance with SAE J2843

Features

- Integrated Neutronics refrigerant identifier
- Automatic and manual operation
- Watch instructional videos and view manual on 8" full color touch screen
- Wi-Fi built-in for remote diagnostics
- Vehicle refrigerant database
- Tank heater
- 6 CFM vacuum pump
- Thermal printer built in
- Hose flushing eliminates cross contamination

SKR³-300 HYBRID R134a

Part # 83000000

Design certified for compliance with SAE J2788

Features

- Automatic and manual operation
- Watch instructional videos and view manual on 8" full color touch screen
- Wi-Fi built-in for remote diagnostic capability
- Vehicle refrigerant database
- Tank heater
- 6 CFM vacuum pump
- Thermal printer built in
- Hose flushing eliminates cross contamination

R134a Replacement Filter Pack
Part # 80-COMD2FLTRPK

R1234yf Replacement Filter Pack
Part # 80-COMD1FLTRPK

High Side Coupler (R134A)

Part # 80-82834

Low Side Coupler (R134A)

Part # 80-82934

R1234yf Oil Injector

Part # 80-53123-YF

HEADLAMP ALIGNMENT

SCA 1 - Visual Headlamp Alignment System

Part # 01010000

Revolutionary visual-optical technology works to align virtually all types of headlamps.

Features

- Approved for regulated inspection programs in the United States and Canada
- Laser floor slope calibration
- No electronics or batteries provide easy maintenance and a lifetime of use
- Precision engineered lens allows technician to calibrate headlamps at the required 25' distance from virtually anywhere in the shop
- Rotational mast provides easy vehicle alignment
- Floor track available (Part # 05014000)

*Not approved for Virginia State inspection program

CVA 3 EZ - Heavy Duty Visual Headlamp Alignment System

Part # 03010000

Features

- Approved for regulated inspection programs in the United States and Canada
- Laser floor slope calibration
- Precision engineered lens allows technician to calibrate headlamps at the required 25' distance from virtually anywhere in the shop
- Rotational mast provides easy vehicle alignment
- Visual Assist Meter makes alignment fast and simple
- Floor track available (Part # 05014000)

Combining revolutionary ISOCOLOR technology with the precision of the Visual Assist Meter provides a highly effective, easy to use headlamp alignment system.

BCA 4 - Visual Headlamp Alignment System

Part # 04010000

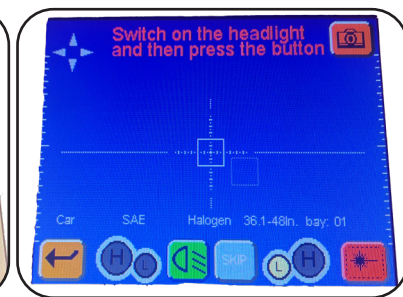

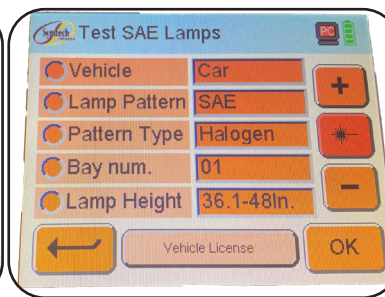

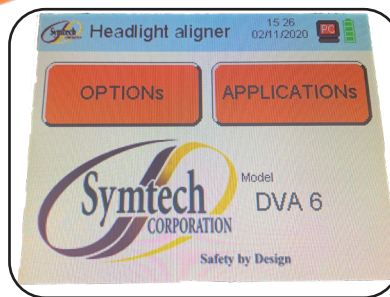

*Non-Regulated Application Only

DVA 6 - Electronic, Digital Camera Headlamp Alignment System

Part # 06010000

Features

- Approved for regulated inspection programs in the United States and Canada
- Aligns all DOT approved lamp patterns, including SAE, VOR, VOL
- Works with all DOT approved bulb types, including Halogen, HID, LED
- Color LCD touch screen
- Multi-language: English, Spanish and French
- Line laser vehicle alignment
- Cross-hair centering on headlamp
- Laser floor slope measurement
- Save up to 24 bay configurations
- Powered by 12V rechargeable battery
- RS232, Ethernet, Wi-fi and Bluetooth capable
- Order with Printer (DVA 6P, Part # 06010010)

HBA 5 - Electronic Headlamp Alignment System

Part # 05010000

Features

- Approved for regulated inspection programs in the United States and Canada
- Portable, multi-bay usage
- Rechargeable, replaceable battery pack
- Accurate, repeatable headlamp alignment
- Laser floor slope assessment
- 10' floor track (two 5' Section) included

*Custom headlamp alignment systems with on-site installations available

AIM 200

Automotive Light Intensity Meter

Part # 20020000

Features

- Handheld
- Measures intensity in Kilo Candela (kcd)
- Easy to use, just point at light and read the meter
- No batteries required
- Durable design
- Can be used on most headlights
- One year warranty

SAFEGUARD

Door Ding and Dent Protection

Part # 2201015 (Double Sided Tape)

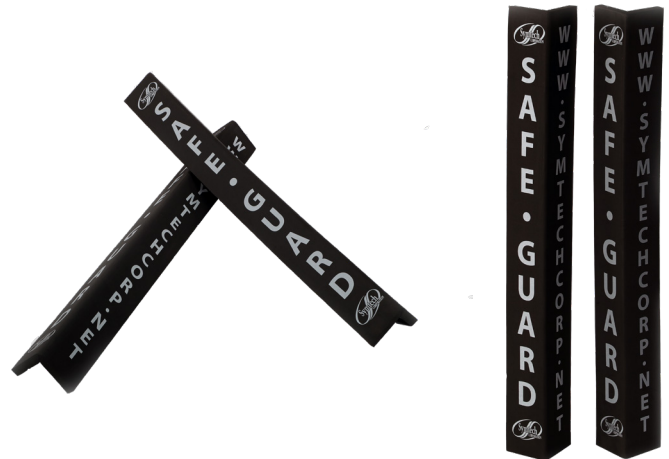

Part # 2201020 (Magnetic)

Use them on

- Hydraulic Lifts
- Tool Boxes
- Door Edges
- Garage Doors
- Shop Benches
- Any Edge you want to protect!

SAFEGUARD

EDGE PROTECTORS

PROTECTIVE COVERS

Protects from damage due to sun exposure, dust and spills

BCA 4 / SCA 1

Part # 01016000

CVA 3 EZ / LCA 2

Part # 02016000

HBA 5

Part # 05016000

DVA 6

Part # 06016000

ATF (ALL MODELS)

Part # 30116001

VFX 1

Part # 30116002

SKR³ (ALL MODELS)

Part # 80006000

HEADLAMP RESTORATION

THE ORIGINAL PATENTED SYSTEM

Water Based Formula

**NO HARM to the vehicle paint,
chrome or plastics!**

BRIGHT SOLUTIONS

HEADLAMP RESTORATION & PROTECTION

Professional Series Kit

Part # 75010030

Restores up to 40 vehicles headlamps or 80 individual headlamps.
A very economical package in a handy, reusable toolbox.
No power tools and No taping off!

Gold Series Kit

Part # 75010080

Restores up to 70 vehicles and comes in a reusable black plastic case.
No power tools and No taping off!

Platinum Series Kit

Part # 75010090

Restores up to 70 vehicles and comes with a reusable 12 inch toolbox. Geared toward the service professional, the Platinum Series Kit includes a 3" orbital sander, sanding disks, and buffing pad.

Car Care Kit

Part # 75010010

Restores up to 2 headlamps in 3 Easy Steps.
No power tools and No taping off!

***Private Label options available for all restoration kits**

COMMON PARTS LIST

Transmission

30110402	Straight Hose Adapter
30110403	90 Degree Hose Adapter
30110404	Dipstick Flow Control Valve
30110405	3/8" x 60" Dipstick Extraction Wand
30110489	5/16" x 72" Dipstick Extraction Wand
30110491	1/4" x 30" Dipstick Extraction Wand
30110492	1/4" x 72" Dipstick Extraction Wand
30110700	ATF Adapter Kit, Standard
30110730	ATF Adapter Kit, Master
30116005	Hose Support Hanger, under hood

Coolant

35010225	Drain & Fill Adapter
35010490	External New Fluid Tank w/ Fittings
35010501	90 Degree Hose Adapter 1 ¹ / ₄ " x 1 ³ / ₈ "
35010502	90 Degree Hose Adapter 1 ¹ / ₂ " x 1 ³ / ₄ "
35010503	Hose Clamps (4) Assorted Sizes
35010504	3/8 Nylon Extraction Tube (72")
35010600	Pressure Relief Hose 5/16"
35010610	Pressure Relief Hose 3/8"
35010620	Cone Adapter
35010630	Hose Step Adapter- Small 1 ¹ / ₄ " x 1 ³ / ₈ "
35010640	Hose Step Adapter- Large 1 ¹ / ₂ " x 1 ³ / ₄ "

Air Conditioning

80-53123-YF	R1234yf Refillable Oil/Dye Injector
80-53123-A	R134a Refillable Oil/Dye Injector
80-69888-FOB1	New Oil Bottle #1 (SKR-200 ONLY)
80-69888-FOB2	New Oil Bottle #2 (SKR-200 ONLY)
80-90016-6	Vacuum Pump Oil 16oz. Bottle
80-COMD2FLTRPK	2 Part Filter pack for R134a Machines
80-COMD1FLTRPK	1 Part Filter for R1234yf Machines
80-69887-27-120B	Replacement 120" Blue Hose for R134a
80-69887-27-120R	Replacement 120" Blue Hose for R134a
80-69843-27-120B	Replacement 120" Blue Hose for R1234yf
80-69843-27-120R	Replacement 120" Blue Hose for R1234yf
80-82834-SLR	High Side Safety Lock Coupler for R134a
80-82934-SLR	Low Side Safety Lock Coupler for R134a
80-83834	High Side Coupler for R1234yf
80-83934	Low Side Coupler for R1234yf

Headlamp Restoration

75011000	Headlight Cleaner/Polish 16 oz.
75011011	Water Based Pre-Treatment 16 oz.
75011012	Sand EZ 16 oz.
75011014	Shine Restorer 16 oz.
75011015	Deep Fill Restorer 8 oz.
75011016-15	Sandpaper, 1500 Grit, Pack of 60
75011016-20	Sandpaper, 2000 Grit, Pack of 60
75011016-600	Sandpaper, H&L Pads 600 Grit, Pack of 50
75011016-1500	Sandpaper, H&L Pads 1500 Grit, Pack of 50
